

For European market	Ref No. ZSB 07-001
	Issued on: 14. June. 2007

Screw Cable Adjuster
Model: ALL existing Brushcutter & Hedgetrimmer models.
1. Subject

Zenoah CO., LTD would like to inform you that a throttle cable adjuster changes into a new type for all existing *BRUSHCUTTER and *HEDGETRIMMER models.

This new adjustment starts from June 2007 mass production.

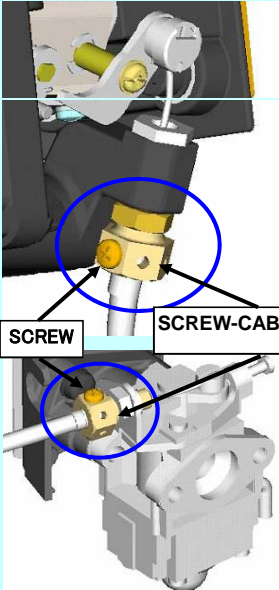

* Please see the model No.3.

When you use the machine, please confirm following steps;

- 1 Please check rotation is idling certainly, when you release a finger from the throttle lever.
- 2 Please check a unit should be wide open throttle, when you grip a throttle lever tightly.

2. Changes
